CUISINE

We believe exceptional cuisine is at the heart of every unforgettable celebration. Our menus are thoughtfully curated with passion and attention to detail, creating a dining experience your guests will remember long after the last bite.

Depending on the wedding package you choose, we offer a selection of dining styles to suit the atmosphere and experience you envision for your special day.

*The options we offer at Tadi Bush Lodge are **buffet**, **plated**, or **family-style** service. A **buffet** allows guests to enjoy a variety of dishes and select their favourites at their own pace. A **plated** service offers a more formal dining experience, with beautifully prepared meals individually served to each guest at their table. **Family-style** dining creates a warm and interactive atmosphere, where generous platters of food are placed on each table for guests to share and enjoy together. Each option provides a unique dining experience, and we will gladly assist you in selecting the style that best compliments your celebration.*

The standard menu options will be discussed in detail with the bride and groom to ensure that the selection reflects their preferences and vision for their special day. Should the couple wish to include any additional dishes or specific food items not listed on the standard menu, we will gladly accommodate these requests. Any additional items will be incorporated into the menu and reflect accordingly in the updated quote.

We are also dedicated to accommodating special dietary requirements, including vegetarian and other specific needs. Our Chef and Coordinator will collaborate closely with you to tailor the menu, ensuring every guest feels considered and completely satisfied.

CUISINE

NIGHT PRIOR TO WEDDING

The night before the wedding offers a wonderful opportunity for family and friends to gather and enjoy a relaxed, informal get-together before the celebrations begin.

At Tadi Bush Lodge, we make this experience effortless by offering catering at the Tadi Restaurant. Our options include – but are not limited to – mouth-watering wood-fired pizzas, homemade burgers, or a proudly South African braai.

Please enquire about our available menus and pricing.

Upon request, these services can easily be added to your personalised quote, or guests can carry their own bill for the night.

MORNING OF WEDDING

FOR THE GROOMSMEN

Since you'll have some extra time on hand, we offer a morning game drive with a delicious lunch set up in the bush. If this service is not already added in your wedding package, we can gladly add it to your final quotation.

FOR THE BRIDAL PARTY

Because we know the ladies have everything under control while getting ready for the big day and don't need any entertainment, we offer the option of delivering our indulgent champagne platters – beautifully prepared with delicious snacks and perfectly chilled bubbles to the bridal suite. If this service is not already added in your wedding package, we can gladly add it to your final quotation.

BAR

Elevate your celebration with our thoughtfully curated selection of spirits, fine wines, and refreshing coolers – perfectly chosen to add elegance and enjoyment to your special occasion.

Our bar is more than just a service; it's a vibrant part of the experience, ensuring your guests are treated to something truly memorable.

For a personalised touch, we gladly accommodate requests for specific brands or favourites. Simply let us know in advance, and we'll make sure your preferences are seamlessly included in the festivities.

We also offer flexible bar options to suite your needs. An open or cash bar is available.

You may set a spending limit on your bar account to keep costs comfortably managed, or opt for a cash bar where guests settle their own tabs. Throughout your event, we'll provide regular updates on bar spending, giving you peace of mind so you can relax, celebrate, and focus on creating beautiful memories.

Beverage and wine prices charged at current price lists as on day of the wedding.
